CHECK YOUR LOGIN FOR CLASSMARKER.COM . Should there be a problem, let me know BEFORE Monday, so I can give you a new password, or tell you your username.

You will find 4 different tests that will be active on Monday: Vocabulary, adverbs, narrative tenses, text. You have exactly 100 minutes to solve them all. At 09:25 your classmarker session will be automatically terminated.

PLEASE CONFIRM THAT YOU HAVE READ AND UNDERSTOOD THIS EMAIL in a brief reply, stating as well that you will write the exam ON YOUR OWN.

Thank you and have a good weekend.
